

RISK MANAGEMENT FOR HEALTHCARE PROFESSIONALS

We See Risk Through Your Lens

At Risk Strategies Insurance Center of North Jersey, we are a leading force in meeting the dynamic needs of healthcare professionals and the practices they run. Our dedicated team of risk management and insurance specialists serve more than 8,000 clients across New Jersey, offering exclusive service and unparalleled expertise.

We proactively identify, evaluate, and review solutions for healthcare professionals, providing thoughtful recommendations and offering alternatives to ensure the best outcomes for our clients. Our commitment to excellence and innovation makes us a trusted partner in optimizing your group practice's results.

Industry Insight

Our Healthcare practice will be an extension of your team, working alongside you to develop sound strategies for managing your risk. Our top notch team of professionals will guide you in selecting smart and cost-effective solutions that cover a variety of risks, including:

- Corporate/Entity Coverage, including for Allied Healthcare Professionals
- Individual Practitioner Coverage, or Full Time Equivalency by Position
- Claims Made or Occurrence
- Complex Claims Procedures, Reviews and Best Practices
- Package Coverage
- Workers' Compensation
- Employee Benefits, including Retirement Plans
- Selection Process Management for Employment Practices Liability Insurance (EPLI), including Third Party Administrators
- Data Breach PII, HIPAA , PCI
- Pandemic Coverage
- ERISA Bond
- Safety Audits
- Training via Our Proprietary Risk Management Center
- Protection From Discrimination Claims
- Privacy and Cybersecurity
- Alternative Program Solutions for Large Groups and Organizations
- Evaluating Coverage to Respond to the Constantly Changing Market
- Navigating New Practice Structures as a Result of Hospital Acquisitions, Joint Ventures or Private Equity Ownership

Solutions And Capabilities

Our team will work closely with you to determine what course of action best benefits you and your practice. Throughout our partnership, we'll provide you with market insights and a comprehensive strategy to help you prepare for the unexpected. We:

- Mitigate risk with customized risk management solutions
- Perform an audit and review of existing programs to identify gaps in coverage and seek improvements
- Perform risk mapping exercises to identify and evaluate risk at every level
- Develop customized solutions to protect your practice's budget
- Have the ability to create tailored captives and risk retention group programs
- Have the ability and national platform to provide the following additional insurance options, including Cyber, EPLI, BOP, Employee Benefits, Life & Disability, etc., specifically catered toward healthcare practices

Why Choose Risk Strategies?

When facing important business challenges, maximizing success starts with the right partner. At Risk Strategies, we see risk through your lens. In more than 30 specialty practices, our experts bring in-depth industry knowledge and a business-first approach to deliver the clarity and strategies you need to face the future with confidence. Personalized service, industry specialization, open communication, client advocacy and depth of experience are the cornerstones of our work with healthcare group practices.

Our most important job is to help protect your practice. We offer a well rounded approach with ample connections and resources to set you up for success. What makes us stand out?

- Programs designed for independent physicians and self-insured programs as well as large practices and hospitals
- Dedicated team who works exclusively within the healthcare industry
- Proactive and responsive client service acting as an extension of your team
- Client advocacy that draws on years of experience, understanding of specific market niches and strong relationships in the marketplace
- Unparalleled, long term and direct market relationships
- Technical resources and analytics to identify, quantify and mitigate risk
